PHILOSOPHY

At Mawson Lakes School Out of School Hours Care we believe it is vital to encourage and provide children with a safe and enjoyable environment. This environment enables the children to learn new skills, build new friendships, and encourage positive attributes which assists with building self-esteem. Social skills are developed in a positive and exciting way and therefore make Mawson Lakes OSHC a safe and happy place!

ACTIVITIES

OSHC offers a wide range of activities including arts and crafts, sports, cooking, music, construction, painting, board games, outside games, sports clinics, drama, and much more. Homework is encouraged to be completed between 3:45-5pm at OSHC and a quiet area is available.

PROGRAMMING

A detailed program of activities is written monthly and the calendar is displayed at OSHC. Children will be actively involved in program planning, implementation and evaluation processes through: Suggestion Box, Kid's Club, questionnaires, group & individual discussions, and newsletters. We also use program extensions, intentional teaching and parent comments to complete our programming cycle. The program is designed to meet the recreational and social needs of children, as well as meeting all learning outcomes outlined in

the *My Time Our Place* framework. Opportunities to develop skills, to learn and to continue educational activities related to school (homework) are provided in:

- A relaxed and friendly environment
- Interesting and enjoyable activities which are planned to incorporate gender, age, and child's social, physical, emotional, recreational, intellectual, and creative needs. We also celebrate multicultural events/celebrations
- Opportunities to do and try new activities
- Times to play with friends and socialize
- Play equipment and craft materials, the chance to be creative and imaginative
- Most importantly support and understanding
- Healthy nutritious breakfast/snacks are provided
- We also encourage Physical Education.

Feel free to offer ideas or suggestions for activities and programs to educators. There is also a suggestion box and your input is encouraged.

BREAKFAST/AFTERNOON TEA

The program provides snacks and drinks for your child while in care. Breakfast usually consists of toast or cereal. Afternoon tea usually consists of breads with spreads, muffins, fresh fruit and veggies, yoghurt, cheese, wraps, etc. Plus, we have a special snack which we often make as a group such as nachos, cookie decorating, mini pizzas, etc. We have a vegetarian option available, but if your child requires more than this or has a special diet, please send something else along. The service takes into consideration religious and/or dietary requirements of all children. Breakfast is served between 6:45 – 8am, which allows us to then tidy the OSHC room and prepare the children for their departure to class. Breakfast will NOT be served after 8am. On Pupil Free Days children are required to bring their own recess and lunch, but breakfast and afternoon tea will still be provided by the service. Please remember we have children in our care who have life-threatening NUT ALLERGIES- **NO NUTS OR PRODUCTS THAT CONTAIN NUTS ALLOWED AT OSHC.**

PHOTOGRAPHS

Throughout the year we will be taking photographs of the children doing various activities. Please notify staff if you do not wish your child's photograph to be taken or placed on display, the school website or profile books.

MEDICATION/ILLNESS

Medication can only be given to a child if it is a prescribed medication accompanied by a letter from a medical practitioner. It must state the time it is to be administered, and in its original packaging with a pharmacist's label which clearly states the child's name and dosage. Parents will be asked to fill out the Program's medication form if a child takes regular medication and provide a Care Plan. Sick children cannot be cared for at the program. If a child arrives unwell, or becomes unwell during OSHC/VAC, parents will be notified immediately and expected to collect their child. You will also be notified if your child is injured whilst at OSHC. In the event of a medical emergency OSHC staff will call an ambulance, in line with standard first aid training, with family responsible for any cost associated with medical care, ambulance, and hospital costs.

SUNSAFE POLICY – *Terms 1 and 4*

Australia has the highest incidence of skin cancer, therefore staff will encourage children to apply sunscreen during the session. Hats are to be worn outside by both staff and children in

accordance to the school's hat policy. Children are not allowed to wear sleeveless shirts or thongs during the hotter months of vacation care for safety and sun-safe reasons.

INCIDENTS/ACCIDENTS

If a child is injured at the service:

First aid will be administered by a qualified staff member (First Aid Certificate). An incident form will be filled out and shown to the parent, who then needs to sign the form.

If the injury is of a concern, an ambulance may need to be called and then the parent will be contacted straight away. If the parents are not contactable, the emergency contact numbers will be rung.

If a child becomes ill at the service, educators will make him/her as comfortable as possible until they are picked up. If staff warrants that the child's illness is serious enough to be sent home, a phone call will be made to parents/emergency contact.

BEHAVIOUR MANAGEMENT

The children are required to follow the OSHC program rules and school ethos, which are posted on the wall in our room. A behaviour management program similar to that practiced by the school operates within the centre.

- **Step 1:** A reminder or warning
- **Step 2:** Reflection Time – 5 minutes
- **Step 3:** Reflection Time with the Director/Asst. Director – 10 min.
- **Step 4:** Parents Notified
- **Step 5:** Suspension from Program (time dependant on incident)

The Mawson Lakes OSHC Program encourages children to problem solve. If there is a problem the educator will ask the children involved with the incident to sit together and discuss the problem and come to a compromise. The educator will not resolve the problem, but rather mediate and encourage the children to try to work it out themselves.

Everyone has the right to feel safe in our environment therefore any child deliberately physically hurting or continuously bullying other children/staff will not be tolerated. Parents will be called to come collect their child immediately and the incident will be documented. A "3 Strikes You're Out" policy is in place for children who continuously do not follow OSHC rules. A yellow Behaviour Sheet (similar to ones used at school) will document these Strikes and parents will need to sign each of these sheets as they are administered. A procedure for re-inclusion to care will be worked out between the OSHC Director and parents/guardians.

INCLUSION POLICY: Mawson Lakes OSHC supports and encourages children with additional needs into the service. All effort will be made to ensure that we can accommodate a child's additional needs using community services when available.

BOOKINGS AND MESSAGES

Bookings should be made to OSHC educators on **0401 121 318** (available 6:45am - 8pm) or **BSC Mobile 0421 612 718**, via email (oshc.mls987@schools.sa.edu.au), in writing or in person.

- Seven days' notice is required for cancellation of ALL booked care or changes of care in regards to Before School Care, After School Care or Pupil Free Days. Families who do not notify the service of cancellations will be charged full fees plus the *Not-Notified* fee.

- If a child is sick, full-fees (including CCS), will still be charged. If by the third day the child is still sick, a medical certificate must be produced and only the CCS will be taken for the indicated days on the medical certificate. The school does not let us know if your child is away sick, so it is your responsibility to notify us.
- *“Not Notified” Fee*- If a child is not cancelled and staff must make calls to find out the whereabouts of the child, a \$2 fee will be added to the family’s account. This fee also applies to children who are dropped off without a booking and calls must be made to locate parents/carers.
- *Vacation Care*- Cancellations are not accepted after the booking due date. Families will be charged for all days booked and sick certificates will not be accepted.
- *Exceptions*-In the case of a medical emergency or family issue, please discuss with the Director and an alternative arrangement can be made in extenuating circumstances.

Children booked in on a regular basis will be charged for their booked sessions, including non-attendance days if no cancellation has been made. It is the responsibility of the parent/caregiver to notify the OSHC service if their child is booked in to OSHC and for any reason is not attending, this includes children who have attended school and have been taken home during the school day. Children booked in for care on a Pupil Free Day who do not attend will be charged as educators have been employed to adhere to the child/staff ratio requirements.

CHECK-IN AND DEPARTURES

Children from Site West are to come to the OSHC Room directly after school, where they will be marked in attendance. We will also send staff through to each building on Site East to collect younger children, and then staff will walk them over to OSHC as a group. To satisfy the school’s legal obligations regarding supervision of children, students from Reception to Year 7 who are on the school site after 3:15 pm (unless they are at supervised Sports Training/Co-Curricular Activities) **MUST** attend OSHC. Children must be collected by a parent or another nominated person before 6:00 pm, signed out and a time of collection indicated, otherwise late fees will be assessed.

PRIORITY OF ACCESS

The Mawson Lakes OSHC program follows the Commonwealth Government’s Priority of Access Guidelines for children using the service. These guidelines may be accessed in the OSHC Priority of Access Policy.

REGISTRATION AND ENROLMENT

An enrolment form is required for each child and is available from the office or OSHC Centre. This must be completed and returned before the child attends the Centre. Please advise the Director of any changes to the information on the enrolment form

PARENTAL RESPONSIBILITIES AND PARTICIPATION

Parents must book their children into sessions and make cancellations as necessary. You will be charged **full fees** if your child is booked and no cancellation is made. **Cancellations must be made one week in advance** (i.e.- Monday for the following Monday) so that we will have the appropriate number of staff to accommodate students, as well as enough breakfast and afternoon tea. Parents are requested to let staff know if another person, other than those specified on the Registration Form, is to collect their child from OSHC. Parents are also

encouraged to participate in the OSHC Program by contributing ideas to the program or through special skills.
