Monday ANZAC Day Holiday

Tuesday Pupil Free Day

Week 6:

Thursday Colour Run Fundraiser

Friday W42 running gathering with buddies

Week 10:

Wednesday Reports go home

Friday End of Term 2, 2pm dismissal

CPC

This term, students will be participating in activities exploring the second focus area: Relationships. They will be exploring rights and responsibilities, trust and networks, and developing personal identity. They will be exploring power in relationships.

CIVICS AND CITIZENSHIP

This term students will be focusing on Civics and Citizenship. We will be covering Australian democracy, citizenship, The Three Levels of Government and the power of systems.

SCIENCE

In Science this term we will cover Chemical Sciences. We will be exploring the concept of reversible and irreversible changes to materials. We will be completing experiments alongside writing science reports based on our predictions and observations.

WELCOME TO TERM TWO

This term is a very exciting term for our classes as we will be learning new topics and continuing to develop our knowledge in all areas. A major aspect of this term is goal setting. Goals are crucial to school success and areas of life beyond the classroom. Setting and tracking goals helps your child learn important life skills such as planning and time management while also building communication skills, self-awareness, and confidence.

MATHEMATICS

This term we will continue to develop our understanding of patterns and algebra, specifically; exploring the use of brackets and order of operations to write number sentences. We will also be focusing on comparing, representing and connecting fractions, decimals and percentages. We will have opportunities to problem solve and have rich discussions which will enable risk taking and questioning throughout learning.

ENGLISH

This term students will be completing a persuasive text covering the text structure, language features and devices. This will be presented to the class later on in the term. During guided reading, students will continue to develop their understanding of reading strategies, comprehension, vocabulary and fluency. They will analyse a variety of fiction and non-fiction texts. One of our main goals this term is to complete effective proof reading and editing skills to develop a successful, well-written piece of work.

NIT Teachers:

PE	W41: Des
	W42: Michael
Japanese	W41: Lauren
	W42: Erin
Arts	W41/42: Abby

We look forward to working with W41/42 to have a successful term 2.
