

HEALTH and PHYSICAL EDUCATION

Curriculum:

In Health and Physical Education this term we will continue to focus on the following areas:

- Active play and minor games
- Fundamental movement skills
- Lifelong physical activities
- Healthy benefits of physical activity
- Mental Health and wellbeing

All students will begin their own Personal Development Fitness program at age appropriate levels.

Year 5-7 students will undertake the Beep Test again and develop a training program for out of school time.

Primary students have begun a unit of work on Invasion games, where the concepts of attacking and defending are the key elements. Small sided Soccer and Football style games are being used to maximize individual participation.

The Health Triangle (Physical, Social and Emotional health) is being further developed this term through role-playing real-life scenarios. Healthy eating practices will be explored, along with lifestyle choices.

Primary students will continue to participate in Minor Games. They are also working on a variety of activities that will form part of a daily Fitness program

Whilst in Health the focus will remain on communicating and interacting for and wellbeing. An understanding on the basics of healthy eating will be taught as well.

SAPSASA:

Our Year 6/7 Knockout Netball and Soccer teams will hopefully begin training soon in readiness for their upcoming matches. We are all just waiting on a decision from SAPSASA regarding the future of the competition.

Others:

The highly popular Auskick program is still on hold at the Mawson Lakes FC. Auskick is suitable for boys and girls aged 5 – 10. Contact Damian Emery if interested.

Damian.emery@sgs.catholic.edu.au

- Mawson Lakes Boat club continue to offer programs for all students Contact coach Jerry Elder 0419 854 371

- Sporting Schools Athletics program was successfully delivered over a four-week period last term. Many new skills were learnt and a lot of fun was had by all.

Feel free to contact us at any stage.
