- **Student enrolment trends:**

The school's enrolments have shown considerable growth since its opening in 2000 with 53 students. The school is approaching its maximum enrolment numbers predicted when the school first opened. In Term 1 2016 there were 802 enrolments with the school under considerable enrolment pressure. The school continues to exercise a zone of guaranteed enrolment due to the excessive demand for enrolment places in the school, and is looking at working with DECD to develop a capacity management plan for 2017.

- **Staffing numbers (as at February census):**

We began the year with 31 classes R-7

Staffing includes a 1.0 librarian and 1.6 EALD Teacher.

Non instructional time is provided by 2.0 Physical Education, 1.0 The Arts and 2.0 Japanese. Staff have access to additional days throughout the year.

SSO hours in term 3 2016 comprised(weekly): 131 hours admin, 37.5 hrs ICT system administration, 46.30 hours Special Education support, 6 hours additional regional Sp Ed support, 32 hours learning difficulties, 32 hours BSSO, 32.30 hours library admin, 10 hours managing our Denison Centre and 10 hours of Defence School Transition Aide time.

- **Public transport access:**

An excellent public transport service is available with bus and train services from and to the city.

- **Special site arrangements:**

The school works closely with the University of South Australia, Mawson Lakes Campus utilising expertise in PE , Technology and the Oliphant Science Awards.

We have a strong transition program with both the Pre-School and Parafield Gardens High School.

## 2. **Students (and their welfare)**

- **General characteristics**

The majority of students live in Mawson Lakes, and a small percentage of students are from parents who work in the UniSA or are Defence Force families supported by a Defence School Transition Aide. 42 different nationalities are currently represented in the school with Asia and the UK being the predominant regions represented.

- **Student support offered**

Learning support is provided by a team of teachers and SSOs. Support is provided for all students who have Negotiated Education Plans. Data is collected and used to determine support and intervention for EALD students, students with learning difficulties, and short term support for numeracy and literacy support.

- **Student management**

A preventative and developmental approach to behaviour management is in place as reflected in the Behaviour Code which has been developed in collaboration with students and Governing Council. Procedures exist for managing harassment and bullying. Class rules and expectations, in line with the behaviour code, and developed in negotiation with students. Student behaviour is monitored closely by all staff. This year we have a 0.2 School Counsellor working across the site.

- **Allergies**

We have strict guidelines to prevent students having anaphylactic responses. Parents are requested not to send food to school containing nuts, or nut products. This includes products such as peanut butter or Nutella on sandwiches.

- **Student government**

Classes conduct fortnightly class meetings. Issues from these meetings are taken to the Kids Council (SRC), which occurs in week 3, 6 and 9 and involves students from Reception to Year 7, addressing whole school issues.

### 3. Key School Policies

- **Site Improvement Plan and other key statements or policies:**

Our school vision - “Developing Life Long Learners who positively influence our community in a global context.” is enacted daily in how we work. Our practice and behaviour is underpinned by four core values:

- Cooperation
- Pride
- Quality
- Respect

The priority of our current Site Learning Improvement Plan (copy on our school website) is “We want our students to be powerful learners of numeracy”. The Principal and Deputy Principal work as part of a strong leadership team which also includes two Co-ordinators and two Assistant Principals, all of whom have a Teaching for Effective Learning focus in their job descriptions.

- **Recent key outcomes:**

Staff at the school have been very active in their pursuit of quality teaching and have worked together to further enhance student learning. For example:

- Teachers worked in professional learning teams to share examples of quality practice with colleagues. All staff work with Ann Baker focusing on improved numeracy teaching and learning. Key strategies involve developing a whole school approach to mental routines, problematized situations and a scope and sequence for mental computation.
- Teacher working in TLC’s (Teacher Learning Communities) and undertaking observations of practice/ providing feedback that promotes ‘AfL’ strategies.
- Groups of staff attended a range of training sessions focusing on Assessment for Learning and mathematics and problem solving.
- We introduced the use of Markit, an online tool for collation of data, and its use for analyzing data sets to determine next steps for teaching and learning.
- Workshops were organized to help teachers understand and develop capacity to analyse PAT data and use this to inform practice.
- Organising parent workshops in numeracy and growth mindset to ensure that parents were part of our learning journey

### 4. Curriculum

- **Subject offerings:**

The school has introduced, and reports against the Australian curriculum Specialist teachers cover Physical Education, Japanese and Arts.

- **Special needs:**

Learning Support and Intervention is co-ordinated by the Deputy Principal and is provided to students by a team of teachers and SSOs. They support EALD learners, children with NEPs and children with specific learning difficulties. Language Support is provided to identified students by a BSSO each week.

- **Special curriculum features:**

- This year we had a whole school Maths Day organized by Year 7 students and targeted towards Australian Curriculum outcomes R-7. A range of engaging problem solving investigations were developed for students to work through

individually and in teams. The organizing students won a Highly Commended award from the Primary Maths Association for their work.

- The use of Information and Communication Technologies is embedded into classroom programmes across the school. A Systems Manager provides technical support to ensure timely access. Wireless technology is utilised across the site.
- Special whole-school community celebrations for Harmony Day, Book Week, Remembrance Day, Sports Day, Matsuri on Mobarra and Special Visitors day.
- Year 7 students involved in Long Tan Day commemorations with Vietnam Veterans. This involved attending a local ceremony organized by the City of Salisbury, where students read poems and laid a wreath.

- **Teaching methodology:**

An extensive range of teaching methodologies are used by teachers with an emphasis on the inquiry method, collaborative learning, embedded information technology and a negotiated curriculum based on the Australian Curriculum.

- **Student assessment procedures and reporting**

Assessment involves both formative and summative processes to support and enhance learning.

- Running Record data is collected and used to determine specific reading needs
- PAT-R and PAT-M (Year 1 to 7) and PAT-SG (Year 3 to 7) data are collected and used as a standardised reading, mathematics and spelling and grammar assessments.
- NAPLAN data is analysed each year and used to inform whole school practice as well as individual learning needs.
- Two writing samples are collected and analysed from every EALD student each year. They are assessed using a rubric and used to differentiate learning needs.
- Big Ideas in Number was used as a learning focus – Trust the Count in Years R-2 and Place Value in years 3-7
- A wide range of on-going assessment is used by teachers before, during and after learning.

The school utilises a mix of formal and informal communication to keep parents informed about student progress.

- An acquaintance night is held early in first term. Teachers use this opportunity to talk with parents about school processes and procedures, and to share information about classroom routines and expectations.
- Three-way interviews are held at the end of term 1 for all families and in term 3 are again offered as an option.
- Formal reports are sent home twice yearly, at the end of Terms 2 and 4. We use the required A-E gradings/ word equivalents and include a written comment.
- Class newsletters are sent home in weeks 2 and 9 of each term. The first provides an overview of the classroom programme for the term, and the second is a review of what has been achieved and a sharing of successes
- The Skool Bag app is used as a communication tool with parents, supplementing the school newsletter and the electronic sign installed at the front of the school
- An open-door policy exists and parents are welcomed to make appointments, or contact teachers via email at any time to ask questions, share concerns or seek clarification about classroom programmes and student progress.

- **Joint programmes:**

- Numerous opportunities for our staff and students to work with University of SA, and Parafield Gardens High School staff and students

## 5. Sporting Activities

- Outstanding performances are achieved by our students at SAPSASA competitions.
- All students R-5 participate in a swimming program at the Elizabeth Aquadome each year. Yr 6/7 students participate in an Aquatics Program at the West Lakes Aquatics Centre.
- In 2016 the Governing Council established a School Sports policy which will move from transition to implementation on 2017. The school has 2 netball teams that play in a local competition out of school hours.

- **Staff facilities**

A staff room is located on Site East and a smaller one has been established on Site West. All staff have access to space for planning, and each teacher has a laptop. Desktop IT facilities are available to all other staff in several locations across the site.

- **Access for students and staff with disabilities**

In areas of the school, and along pathways leading to the creek, adaptations have been made to enable and improve wheelchair access. Change facilities are available on Sites East and West, and disabled toilets and parking are available.

- **Public Transport**

An excellent public transport service to Mawson Lakes is available through bus and train services to and from the City

## 10. School Operations

- **Decision making structures**

Decision making is shared between Staff, Governing Council and Kids Council. Staff are involved in all decisions that affect them, either directly or through representatives on committees. In 2016 a working party was formed to review the Decision Making policy. This is on-going.

- **Regular publications**

A term calendar is sent home in week one of each term, providing details of events and special days for the term. The calendar is also placed on our website, along with the school newsletter which is published in weeks 3, 6 and 9 of each term.

Classroom and specialist teachers provide a term overview in week 2 of each term, and a term review in week 9. Again, these are shared via the school website.

Mawson News, a staff newsletter, is published weekly.

- **Other communication**

Each student has a communication book, or diary, which is used to facilitate communication between home and school. Reminders of special events, performances, due dates, etc are sent home via stickers in the communication books.

Information is also sent to parents via email and the Skoolbag App. This includes notification of the newsletter being uploaded, reminders of special events and fund-raising information.

For the past four years, Mawson Memories, a school year book, has been produced by the Year 7 classes.

- **School financial position**

The school is well-managed and in a strong financial position.

- **Special funding**

Funding is applied for as required to provide support for students with learning disabilities.

RAAP applications are made annually for support in managing the complex geographical layout of the school.

## 11. Local Community

- **General characteristics**

Mawson Lakes is a diverse community in a strong family orientated environment. Parents and Community have high expectations and respect for the school and staff. A number of parents operate local businesses or are employed by the University of South Australia.

- **Parent and community involvement**

Parents are actively involved in supporting staff and students in specific subject areas (particularly reading and literacy programs) excursions and camps. A volunteer induction program is run for all parents prior to them working with students.

- **Feeder or destination schools**

Most new Reception children transfer to our school from the on-site Pre School, with small numbers from other Pre-Schools.

Parafield Gardens High School is our designated high school and increasing numbers of students are choosing to attend. Others choose a range of local government schools or Endeavour College, a private Lutheran college within Mawson Lakes. [I.e. schools that children generally transfer to, or schools (or kindergartens if applicable) that children generally transfer from].

- **Other local care and educational facilities**

Mawson Lakes Child Care Centre, Parafield Gardens High School, Endeavour College (Private Lutheran School) and the University of SA.

- **Commercial/industrial and shopping facilities**

Facilities include Technology Park, The Lakeside Town Centre incorporating a newsagency, hotel, cafes, supermarket and restaurants and numerous shops, cafes and businesses in streets surrounding the school.

- **Other local facilities**

There are medical practitioners and a range of health services available within the town centre. Salisbury Council publishes a booklet detailing sporting, social and recreational facilities available across the Salisbury Council area, and these are available free of charge from the Mawson Centre.

- **Availability of staff housing**

Whilst no Government Employee Housing is available at Mawson Lakes, there are many new and older homes available for rent or purchase in Mawson Lakes and nearby suburbs.

- **Accessibility**

An excellent public transport service to Mawson Lakes is available through bus and train services to and from the City

- **Local Government body**

The City of Salisbury is the local council servicing Mawson Lakes.

## 12. Further Comments

- New staff at Mawson Lakes School are supported to understand the significance of the community and the role the school has in facilitating the learning process for the young people.
